Subject: Amherst Center store off premise wine and malt license

To: The Amherst Select Board

Why do you feel Mr Glenn Hamill needs an off-premise wine and malt license? He could have purchased the convenience store "contingent" upon getting a license. It appears he does not have a good management plan, as you suggested, and did not receive good legal advice.

Sincerely,

A handwritten signature in cursive script that reads "Sandra & Dave".

Sandra and Dave Knightly
